

The Governor's Office of Equal Opportunity is pleased to sponsor:
Americans with Disabilities Act Amendments Act (ADAAA)
Laws, Regulations, Guidance and Case Studies
Training Provided by
The Arizona Attorney General's Office

Please reserve **September 20, 2012 from 9:00 - 11:00 am** for a follow up training session on ADAAA Laws. The session will be held in the Governor's 2nd Floor Conference Room at the State Capital-Executive Tower.

Mr. Dennis Carpenter, lead attorney for the Employment Law Section of the Attorney General's Office will facilitate the session. He will clarify any points of the ADA laws you want to review and share his practical advice for administering the laws on a day to day basis.

Several persons at our last training suggested that we discuss a couple of case studies. If you have any examples or cases you want to discuss or points you want clarified, please send them to me no later than **August 21, 2012** so I can get them to Dennis in a timely manner so he can work them into his presentation. Let me know if you have any questions.

Please RSVP to Patti Campbell at pcampbell@az.gov if you plan to attend the session. Also, please forward this announcement to others in your office that might benefit from the ADAAA information.

Thank you,
